# POSING MADE SIMPLE

20% POSED. 80% NATURAL - 100% EASY

At ACP Photography, we believe that the best moments happen **naturally**. From the tearful exchange of vows to the laughter shared with loved ones, our goal is to capture the genuine emotions of your special day with minimal direction. Most of our photos are candid, allowing the true essence of your wedding to shine through.

MY FREE POSING GUIDE

Even when we pose you for those stunning shots, we keep it simple and fun—often incorporating a bit of movement to keep things relaxed and genuine. Whether it's a twirl/dip or a playful glance over the shoulder, we set the scene and let the magic happen. This approach ensures that your photos not only look beautiful but also feel authentic and true to your story.

# WEDDING TIPS FOR HER

Your wedding day should be filled with joy and unforgettable moments. As a photographer, I've seen how the smallest details can make a big difference. That's why I'm sharing these 10 essential tips to help you feel relaxed and confident. When you're at ease and enjoying every moment, it reflects in your photos, capturing your true happiness. Let's make your special day seamless, so your memories are as beautiful as they deserve to be.

## TOP 10 TIPS!

**Stay Hydrated:** Drink plenty of water to keep your energy up and skin glowing.

**Emergency Kit:** Pack an emergency kit with items like safety pins, plasters, stain remover, and pain killers.

**Comfortable Shoes:** Have a pair of comfortable shoes handy for dancing or in case your feet need a break.

**Delegate Tasks:** Assign tasks to your bridal party to ease your workload on the big day.

**Dress Rehearsal:** Practice walking and sitting in your wedding dress to get comfortable.

**Relaxation:** Find a moment to relax and breathe before the ceremony begins and throughout the day.

**Backup Plan:** Have a backup plan for any outdoor elements, like umbrellas, extra shoes.

**Touch-Up Kit:** Carry a touch-up kit with makeup essentials for quick fixes, keeping you picture-perfect all day long.

**Hold Your Bouquet Correctly:** Hold your bouquet at your waist level to avoid obstructing your dress and face in photos.

**Be you:** Just be yourself, allow your personality to show in the images. Acting natural is always best.

# WEDDING TIPS FOR HIM

I've had the privilege of capturing countless special moments between couples. I know just how important it is for everything to go smoothly on your big day. That's why I've put together these 10 essential tips just for you. From prepping in the morning to dancing the night away, these tips will help ensure you look and feel your best, making it a day to remember for both you and your soon-to-be spouse.

## TOP 10 TIPS!

**Stay Calm:** Relaxation helps you look confident and happy in photos.

**Check Your Posture:** Stand tall and confident in your photos, as good posture makes a big difference.

**Learn the basics:** Make sure you or your groomsmen know the basics! How to tie a tie, attach a button hole

**Pocket Essentials:** A handkerchief is useful for emotional moments, ensuring you stay photo-ready.

**Contact List:** Having important contacts ensures any issues are quickly resolved, keeping the day running smoothly for photos.

**Be Playful:** Don't be afraid to show your playful side; candid moments often result in the best photos. Especially with your partner.

**Thank You Notes:** Expressing gratitude makes for heartfelt photos with your groomsmen.

**Practice Your speech:** Knowing that you will nail your speech will make all the difference.

**Practice Your Dance Moves:** A little practice can make those first dance photos look even more graceful and fun... a gentle lift is always a go to.

**Surprise Gift:** A thoughtful gift for your bride... or groom creates a beautiful, emotional moment to capture.
